VNA Ambassador Program

Have you received care and service from VNA staff and volunteers, and are you looking for a way to give back to the organization? If so, you're not alone! Each year, many of our patients and families show their appreciation by becoming VNA Ambassadors.

In this crucial role, VNA Ambassadors help to ensure the programs and services they were so thankful to have, are available to assist people in the future.

Ambassador's ways of helping:

- ❖ **Make charitable donations** - The Visiting Nurse Association of Manchester & Southern NH provides the highest quality skilled nursing, therapies, and related healthcare services for thousands of Greater Manchester residents each year, regardless of their ability to pay. Donations allow the VNA to provide compassionate, high quality care to all those in need regardless of their age, disease, or financial status.
- ❖ **Tell your doctor** how much the VNA has helped you.
- ❖ **Write a letter** to the editor of your local paper.
- ❖ In lieu of flowers, choose to have **memorial contributions made to VNA Home Health & Hospice Services**.
- ❖ Remember the VNA in your **will** or **estate plan**.
- ❖ Become a VNA **volunteer**.
- ❖ **Invite the VNA to speak** at your church, club, or civic group.
- ❖ **Become a sponsor** for our Remember Me In Springtime Walk/Family Day, Silent Auction, or other event.
